

First Call for 2018-19 STSM-Applications

“CellFit” COST network (CA16119) is pleased to announce the second call for 2018-19 STSM applications. We encourage all potential applicants to consider the objectives of “CellFit” and to apply according to the STSM guidelines (<https://e-services.cost.eu/user/login/STSM>).

The deadline for applications is 15 March 2019, and depending on resources available. Missions which are approved for funding in this call have to be **accomplished by April 15th, 2019**.

General rules

Subsistence

The reimbursement rate per day is maximum **160 EUR**.

Travel

The travel expenses should not exceed **500 EUR**.

Full Cost (Subsistence + Travel)

If the duration is between **05 days** and **30 days**, the total cost should not exceed **1000 EUR**.

If the duration is between **31 days** and **60 days**, the total cost should not exceed **1500 EUR**.

If the duration is between **61 days** and **89 days**, the total cost should not exceed **2000 EUR**.

Under special conditions, regardless to the duration of the mission, the total cost may be up to **2500 EUR**.

Please also note that the amounts indicated above may vary, depending on resources available

Please note that

- the application together with the MC approval shall be submitted to the STSM chair at least 6 weeks before the mission starts; in any case, please register first at <https://e-services.cost.eu/w3/index.php?id=91>
- four weeks after the completion of the STSM the grantee is required to submit to the Host and the Action's STSM coordinators a short scientific report on the visit. This report will include a summary of the results of the mission.
- each publication which was produced with support of the STSM has to acknowledge the support of the COST Action CA16119, (CellFit).

For any queries re STSMs within CellFit please contact the Actions' STSM Chairs (Prof. M. Vidakovic, melita@ibiss.bg.ac.rs and Prof A. Tandler, tandler@ocean.org.il).
